HEALTH - IMMUNIZATION & PHYSICAL & FLU

The Department of Children & Families requires each child enrolled in a licensed child care facility to have a current physical, immunization record and a FLU brochure on file at all times. The physical (form DH 3040) and the immunization record (Form DH 680 or DH681) will be due no later than 30 days after the first day of enrollment. However, the center requires it the first day of enrollment. If you need the additional time that the Department of Children and families provides then please state on the following line, the date of your appointment or your plan to have it in the center within the 30 days.

. Failure to comply

with this request will result in immediate dis-enrollment from our center

DICIPLINE/BEHAVIOR MANAGEMENT AND EXPULSION POLICY OF CHILDREN IN CARE

We recognize that positive discipline teaches and encourages the healthy development of a child's self-esteem. We do not allow the use of corporal punishment by caregivers. Instead, we use the re-direction method. This is a method of presenting a different activity, giving the child opportunities to choose another area or stay with the current activity, which helps the child gain self-control through learning appropriate behavior, and avoids conforming to adult standards. Our policy for misconduct consist in redirection or an occasional separation from the classroom for a short period of time. We reserve the right to remove recess privileges for biting, swearing, hitting, or any behavior that causes an unsafe environment for all children enrolled. A parent/teacher conference may be arranged for continual behavior that causes an unsafe atmosphere for children and teachers. We urge you to discuss any specific concerns with the re-direction method with the Director. We do not allow bullying, fighting or verbal abuse. Center Director handles these issues. If this does not work, the parent is called in for a conference. In the event that all attempts to improve behavior fail, we reserve the right to dismiss children from our center without notice. We use the same policy for our school age children and summer camp.

HOURS OF OPERATION

Our center is licensed to be open from 6:00a.m to 6:00p.m. Parents and children are not permitted to enter our center prior to 6:00a.m. The child can only be at the center for up to 10 hours a day. The toddler room hours are 6:30a.m to 6:00p.m. A late fee of \$1.00 per minute per child will be charged for children remaining in our care after the 10 hours or after 6:00pm. After the 3rd time you are late or over 10 hours your child will be disenrolled. NO DROPPING OFF CHILDREN AFTER 9:00A.M, UNLESS YOU HAVE A DOCTOR APPOINTMENT WHICH REQUIRES A DOCTORS NOTE AND CHILD MUST BE AT THE CENTER NO LATER THAN 11:00 A.M. PLEASE BE ADVISED THAT AFTER 9:00 A.M YOU AND YOUR CHILD WILL BE TURNED AWAY FROM THE CENTER REGARDLESS IF YOU PAY OR NOT. All Classes start at 8:30a.m. After 9:00 A.M Our doors will lock and there will be no one available to open the door. If your child is enrolled in our VPK program they MUST be here before 8:30. The 9:00 am cut off time only applies to children who ARE NOT in our VPK Program. Cut off time for VPK is 8:30a.m.

WEEKLY TUITION & REGISTRATION

A registration fee of \$75.00, per child, will be charged to your account each year on the anniversary date. Your weekly tuition will be due on Monday even if your child is not in attendance. All Payments will be due on Monday. No service will be given on Tuesday for non-payment and a late payment of \$20.00 will be charged to your account automatically on Tuesday. After the 3rd late payment fee is billed, we reserve the right to withdraw your child and offer the space to the next child on the waiting list. We accept cash, check or money orders, pay by phone, pay by computer at home or Card payments for tuition. All Card payments have a fee of 2.75% which is assessed by the company we use. A \$30.00 check fee will be charged for all insufficient checks. Only a payment made in cash will be accepted for insufficient checks. If an insufficient check has not been paid within 5 days after notification, the check will be turned over to the State Attorney Office for collection. One insufficient check will result in cash only tuition payments for a period of 180 days. We do not charge an additional fee for early release days for public school children who are currently enrolled in our center, however, when children in our before and after school program are here for an entire day or week; we will charge an additional \$15.00 per day or \$170 for a full week. If child is here for entire week of Christmas break, Spring break or summer see the front desk for our weekly tuition as well as ELC parents for co-payments.

ATTENDANCE

All parents are to sign their child in using out fingerprint system. VPK and School Readiness children cannot be out for more than 3 days out of the month to stay in the program. If you are out more than 3 days or don't sign you will be responsible for paying at the regular rate. Vpk parents must sign the Vpk Monthly attendance book every month and the School Readiness parents must sign the School Readiness book on a daily basis. The center has the right to disenroll children in these programs for any reason regarding attendance. The center requires a call from any parent when the child is absent from the center for a brief explanation. For parents with school-aged children in the before and after school program, the center requires a call when the child is not to be picked up for any reason. Failure to call the center and inform them can result in disenrollment from the program.

VACATION /SICK AND HOLIDAY POLICY/ CLOSING

Parents qualify for one week of vacation after 90 days of consecutive enrollment. After 6 months of enrollment you are entitled to an additional vacation week. You are also entitled to one-week sick time (with a doctor note). Tuition is due regardless of the number of days your child is not in attendance for the week which also includes weeks with holidays and closed for weather related. No credit will be given for days missed or federal holidays closed. The center operates all year round with the exception of Christmas week, which we will be closed, ask the front desk for specific dates depends on what day Christmas day falls on that particular week. (YOU WONT BE CHARGED FOR THIS WEEK). For severe weather-We will follow Duval County Public School Decisions to determine whether we are open or closed.

MEDICINE POLICY

The center WILL NOT administer medication.

Assessment Testing

Screening is a process to determine whether a child has any developmental concerns that may require further evaluation and follow-up. Screenings conducted at the center may include vision, hearing, speech/language, nutrition, dental, and overall development. The Ages and Stages Questionnaire (ASQ) will be used at least once per year. Parental consent forms for screening are included in the registration packet.

Parents will be informed of results of screenings either in written form or at the parent-teacher conference time. At home activities may be recommended based on the results of the screenings. If further evaluation or services are needed, parents will be referred to the appropriate agencies or to their personal pediatricians. Additional screenings and parent conferences will be utilized as a means of follow-up on screenings that result in referrals to outside agencies.

Children at every age level will be screened and assessed using on-going child observations and portfolio assessment for the purpose of identifying developmentally appropriate learning outcomes met throughout the year and creating individualized learning goals based on the results of the observations and assessments. Additionally, the state-required VPK assessment checkpoints will be administered for all VPK children three times per year. Results will be shared with parents either in written form or at the parent-teacher conference time.

Each child will have a portfolio which includes a sampling of the child's progress. Depending on the age of the child, these samples may include Ages and Stages Questionnaires, literacy and numeracy assessments, artwork, dictation, writing samples, pictures, anecdotal notes, photos, VPK assessments. Portfolios for toddlers may also include copies of daily notes, growth charts, and other developmental checklists. Portfolios are to be shared with parents during scheduled parent conferences.

Parent/ Teacher Conference

All parents/family are invited to attend scheduled formal parent/guardian/teacher conferences to review child's progress and needs and set goals for the child. Conferences will be scheduled at least two times throughout the year for toddlers, and preschool children. Other conferences may be scheduled as needed or as requested by parent or teacher.

Transitions to new classrooms

As the children grow and mature they will be transitioned from one class to another. The transitions happen slowly to help the children adjust to the new environment as well as the other children and teacher. This is done by allowing the child to visit the new classroom for a few hours each day prior to the child moving classes permanently. The parent will be informed in advance.

INSTRUCTIONS for completing the Free and Reduced-Price Meal Application (use a pen and print all information other than signature)

Print the name of the child you are applying for at the top pf the form. Print the name and address of the child care center the child attends, if not already pre-printed. Print the primary hours of care for your child. Circle the days of the week your child primarily attends the child care center and the meals that you expect your child to receive while in care: breakfast (BR), morning snack (MS), lunch (LU), afternoon snack (AS), supper (SU), and/or evening snack (ES).

IF ANY MEMBER OF YOUR HOUSEHOLD RECEIVES FOOD ASSISTANCE PROGRAM (FAP/SNAP) OR TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF) BENEFITS, FOLLOW THESE INSTRUCTIONS: STEP 1: List all children age 18 and under that are supported with the household's income, even if they are not related to you. Be sure to include the child listed at the top of the form. If there is not enough space to list all children, use a second form and attach the forms together. List the date of birth of each child. In the next three columns, circle Yes or No to answer each question for each child listed. **STEP 2:** Enter either the FAP/SNAP or TANF case number in the designated space. The case number will be on your letter of eligibility; it is not the number on your EBT card. **STEP 3:** Skip this step. **STEP 4:** Skip this step. **STEP 5:** Enter your address and phone # (if available). An adult household member must sign the form. Print the name of the person who signed the form, then enter the date signed.

IF YOU ARE APPLYING FOR A FOSTER CHILD, FOLLOW THESE INSTRUCTIONS: With appropriate documentation, foster children are automatically eligible for free meals regardless of the income of the household where they reside. You have the option to provide the child care center with official documentation from the foster care agency or court that placed the child in the household, rather than completing this application. Should you choose to complete this application, and you are applying only for a foster child(ren), then only complete STEPS 1 and 5. If you are applying for foster and non-foster children, complete STEPS 1, 3, 4 and 5. If completing STEP 3, do not include payments to the household for the care of the foster child(ren). See the instructions listed below for the applicable steps.

ALL OTHER HOUSEHOLDS, FOLLOW THESE INSTRUCTIONS: STEP 1: List all children age 18 and under that are supported with the household's income, even if they are not related to you. Be sure to include the child listed at the top of the form. If there is not enough space to list all children, use a second form and attach the forms together. List the date of birth of each child. In the next three columns, circle Yes or No to answer each question for each child listed. STEP 2: Skip this step. STEP 3: Enter the total income received by all children listed in STEP 1, then check how often the income is received. STEP 4: List all adults age 19 and older that are supported with the household's income, even if they are not related to you and even if they receive no income. If there is not enough space to list all adults, use a second form and attach the forms together. For each adult, list the amount of income he/she regularly receives before taxes or anything else is taken out and circle how often the income is received (frequency) in the appropriate columns. If self-employed, list net income. See examples below for sources of income to report. For any adult with no income, write "none" or "0." Any income fields that are blank will also be counted as a zero (0). Enter the total number of household members (all children and adults), then list the last four digits of the social security number (SSN) of the adult completing/signing the application (or write NONE if he/she has no SSN). STEP 5: Enter your address and phone # (if available). An adult household member must sign the form. Print the name of the person who signed the form, then enter the date signed.

The Richard B. Russell National School Lunch Act requires that, unless you list a current Food Assistance Program (FAP/SNAP) or Temporary Assistance for Needy Families (TANF) case number or are applying for a foster child, you must include the last four digits of the Social Security Number (SSN) of the adult household member signing the application or indicate that the signer does not have a SSN. Providing the last four digits of a SSN is not mandatory, but if this information is not given or an indication is not made that the signer does not have a SSN, the application cannot be approved. The information provided on this form may be verified through program reviews, audits, and investigations and may include contacting employers to determine income, contacting a welfare office to verify receipt of FAP/SNAP or TANF benefits, contacting the state employment security office to determine the amount of benefits received, and checking any documentation produced by the household to prove the amount of income received. These verification efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported. We may share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs; auditors for program reviews; and law enforcement officials to help them investigate violations of program rules. When life happens...Don't be a

DISTRACTED ADULT

FACTS ABOUT HEATSTROKE:

It only takes a car 10 minutes to heat up 20 degrees and become deadly.

Even with a **window cracked**, the temperature inside a vehicle can cause heatstroke.

The body temperature of a child increases 3 to 5 times faster than an adult's body.

A PREVENTION TIPS:

- Never leave your child alone in a car and call 911 if you see any child locked in a car!
- Make a habit of checking the front and back seat of the car before you walk away.
- Be especially mindful during hectic or busy times, schedule or route changes, and periods of emotional stress or chaos.
- Create reminders by putting something in the back seat that you will need at work, school or home such as a briefcase, purse, cell phone or your left shoe.
- Keep a stuffed animal in the baby's car seat and place it on the front seat as a reminder when the baby is in the back seat.
- Set a calendar reminder on your electronic device to make sure you dropped your child off at child care.
- Make it a routine to always notify your child's child care provider in advance if your child is going to be late or absent; ask them to contact you if your child hasn't arrived as scheduled.

During the 2018 legislative session,

upon arrival at the adult's destination.

a new law was passed that requires child care facilities, family day care homes and large family child care homes to provide parents, during the months of April and September each year, with information regarding the potential for distracted adults to fail to drop off a child at the facility/home and instead leave them in the adult's vehicle

My signature below verifies receipt of the Distracted Adult brochure

Parent/Guardian:

Please complete and return this portion of the brochure to your child care provider, to maintain the receipt in their records.

What is the influenza (flu) virus?

Influenza ("the flu") is caused by a virus which of infects the nose, throat, and lungs. According to the US Center for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

How can I tell if my child has a cold, or the flu?

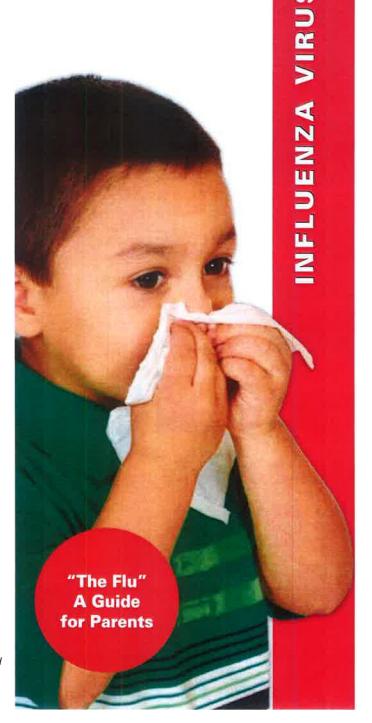

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.

This brochure was created by the Department of Children and Families in consultation with the Department of Health.

During the 2009 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes provide parents with information detailing the causes, symptoms, and transmission of the influenza virus (the flu) every year during August and September.

What should I do if my child gets sick?

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

ALL OR TAKE YOUR CHILD TO A DOCTOR RIGHT AWAY IF YOUR CHILD:

- Has a high fever or fever that lasts a long time
- · Has trouble breathing or breathes fast
- · Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- · Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

How can I protect my child from the flu?

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

What can I do to prevent the spread of germs?

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent, the flu may also spread through indirect contact with contaminated hands and articles soiled with nose and throat secretions. To prevent the spread of germs:

 Wash hands often with soap and water.

• Cover mouth/nose during coughs and sneezes. If you don't have a tissue, gough sleeve, to into your

hands.

- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

When should my child stay home from child care?

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children and should not return to child care or other group setting until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.
